Subject: Request for Small Mine Reclamation Contract and Surety, Amy Sabey, S/023/078, Juab County, Utah

Dear Ms. Sabey:

In December 2006, the Division received notification from Mr. Jay Finlinson of Zions Bank that there was a certificate of deposit (CD) in the amount of \$1000.00 administered by the BLM. Mr. Finlinson kindly agreed to inform you that the BLM must be contacted in order to obtain the paperwork identifying the existence of the CD. To date, the Division has not received documentation from the BLM (i.e., deposit, BLM Decision letter) or you. In addition to the documentation requirements the Division must be named on the CD. Please contact the bank and obtain information on how to complete this requirement.

Furthermore, a completed small mine reclamation contract must be received. Please find it enclosed for completion and notarized signature. Please return it in original form to the Division, attention Minerals Regulatory Program.

Please direct inquiry and correspondence to Ms. Beth Ericksen
(801) 538-5318.

Sincerely,

Daron Haddock
Permit Supervisor
Minerals Regulatory Program
